Canine Language Perception Study

ODTCC member, Charis Smith, and her dog, Duke recently went to the University of Maryland to participate in a study in Canine Language perception. Duke had a fun time, and he got a cute dog-torate degree for participating.

A new study will be beginning soon about dogs' perception of background noise and ability to filter it, and one group they are focusing on is agility dogs. They also do lots of other studies with dogs in general, their website has some of their published papers and more info (<http://dogs.umd.edu/>). Charis shared flyers with us in case others would like to participate and contribute towards science!

SCHEDULE A VISIT TODAY!

WE'LL MAKE IT PAW-SOME!

Your participation helps us learn more about how our canine companions think and learn, and the ways in which this is similar to (and different from!) that of young children.

The studies in our lab usually involve a single visit, lasting 30-45 minutes (including time for asking questions and filling out paperwork, and for your dog to become comfortable in the testing room). These studies are designed to be fun for dogs and their owners. You will be with your dog at all times.

Oriole Beginning Tracking Classes

Oriole's *Beginning Tracking* course emphasizes building a partnership bond with your dog and having a great time outdoors in nature doing something dogs are naturally gifted at and love to do.

The classes teach the foundation concepts and techniques for the AKC Tracking Dog Test including understanding scent, designing tracks to develop tracking dogs with motivation, confidence, and skills, and developing handler support skills.

Recently, one course introduced Pre-Tracking Dog Tests that are proving to be educational AND a lot of fun!

★ **Milly Welsh** - Milly B Welsh and Graden's Cutting Edge, MH, QA2, UD, RE - known as Razor - completed the requirements for her UD on 3/3/24 at MD Sporting Dogs.

★ **Gina Lancaster** - Pooh earned his level 3 Strategy Title at ODT CPE trial.

★ **Felicia Wynn** - Kody got his last Q in Novice Buried, earning his Novice Buried Element and overall Scent Work Novice (SWN) titles!

★ **Linda Hulbert** - At OTCH's UKC nose work trials this weekend Porsche finished her Novice Interior, which finished her Novice Nosework title. Yesterday she got a 1st in Advanced Containers and a 3rd in Advanced Exterior. Today she 5th in Novice Interior and a 2nd in Advanced Vehicles.

★ **Linda Hulbert** - At OTCH's UKC Nosework trials this weekend, Rain went 4 for 4. Yesterday he got a 2nd in Advanced Exterior and 2nd in Advanced Containers. Today he got 3rd in Advanced Interior and 2nd in Advanced Vehicles. This means that he is half way to his Advanced elements titles.

★ **Sara Tagget** - Vivian's first AKC Scent Work trial and she did awesome. She competed at Novice level and earned 4 out of 4 qualifying runs with a 3rd and 4th place. Lucy competed at Advanced level and q'd in Interior and Exterior, 2 out of 4 qualifying runs! Desi ran at Master level and earned 3 out of 4 qualifying runs! She earned her Master Exterior Elite title!

★ **Trena Laswell** - Harvey, Lane, and Murray went to Ruffin' It's cwags trial this weekend and did great!! Harvey Q'd in: Level 3 scentwork, 2 rounds of Starter Rally, 2 rounds of Zoom 1, Colors 1, And got a Versatility award for the weekend! He got scores of 97, 98, and 99! Lane Q'd in: 2 rounds of Zoom 1, She had fun pretending to be an obedience dog and provided entertainment for all. She also got to be "dog in white" to test my Level 1 scentwork. Murray Q'd in: Level 2 scentwork, 2 rounds of Starter Rally, 2 rounds of Zoom 1, Colors 1, And got a Versatility award for the weekend! He had great runs as FEO in Level 1 scentwork and Ranger 1.

★ **Sally Josselyn** - Another good Barn Hunt weekend for Monkey 😊. She Q'd in 11 of 12 runs to earn her RATCHX6 and Crazy 8s Platinum 2 titles. The highlight of the weekend was her second Masters run where she cleared the course of 5 rats in a smokin' time of 1:08:81 which was good for a HIC too.

★ **Janet Gauntt** - Johnny B, RATCHX 9! I'm thinking this is a good time and title to end his Championship class runs on. At 13.5, climbing the bales on a challenging Masters course is becoming a little too precarious for my taste. And his advancing deafness is making the Distance Challenges.... challenging. So I think we're transitioning back to Open B and Crazy 8's where things are at a nice safe height for a senior.

★ **Linda Hulbert** - Rain earned his Advanced Trick Dog title tonight.

★ **Dianne Harab** - Rocky earned his Rally Novice title on April 7, 2024 at Oriole Dog Training Club in Halethorpe, Maryland with scores of 99-1st place, 100-1st place, and 99 first place. This is his first title.

★ **Sara Tagget** - The Desilu Dogs have been busy in Florida. In St Petersburg, Desi earned her AKC Scentwork Exterior Master Elite title AND High in Trial for Master level. In Gainesville, Vivian earned her NACSW Odor Recognition Title (ORT). Lucy earned her AKC Scentwork Container Novice Elite title in Lakeland. In Clearwater, Lucy was one of 5 teams out of 41 teams to earn her NACSW NW2 title.

★ **Felicia Wynn** - Brave earned his AKC Advanced Trick Dog title, which consisted of 10 advanced tricks.

★ **Lorinda McKisson** - Hennessy and Diesel both titled in Starters/P1 Gamblers! On to Advanced/P2 Gamblers! Diesel also Q'd in his first P2 Gamblers and now has 2 Q's in P1 Standard!

★ **Sheila Saville** - Karma earned her CPE Full House Champion title on May 13 in Orlando, FL.

★ **Deb Knowles** - Maple got her CGC title** today. Depending on how things shake out over the next week or so, I'm thinking of having her go for trick title (5 tricks) at rally trial as a quasi acclimation under trial conditions so we can feel better in trial ring...will see... But meanwhile she is very proud of being a Cute Good Canine. (**pending my getting paperwork filed)

★ **Linda Hulbert** - Rain had a great day at OTCH's UKC rally trials today. He got a 3rd place in Level 2 (95) and 2nd place in Level 3 (99) for the first trial. In the second trial he got 2nd place in Level 2 (98) and 2nd place in Level 3 (99). The first trial also completed his URX title.
